Re: DIRECTV Enterprises, LLC Notification of Minor Modification to Change Western Satellite
Arc Limit for Call Sign E090024, File No. SES-MOD-20180716-02127

Dear Ms. Dortch:

On July 16, 2018, DIRECTV Enterprises, LLC ("DIRECTV") filed the above-captioned notification of minor modification to its Long Beach, California earth station (Call Sign E090024) to change the western satellite arc limit (Box E55 of Schedule B) from 120.0W to 140.0W for all authorized frequency ranges. DIRECTV is filing this supplemental letter to notify the Commission that in addition to this change, the antenna azimuth western limit (Box E58 of Schedule B) of the earth station will change from 183.2 to 215.7, and the antenna elevation western limit (Box E59 of Schedule B) of the earth station will change from 50.6 to 44.3 for all authorized frequency ranges.

Should you have any questions regarding this filing, please do not hesitate to contact the undersigned.

Respectfully Submitted,

/s/ Jennifer D. Hindin
