Re: Call Sign E080231, File Number SES-LIC-20081107-01458

To International Bureau Earth Station Licensing

L3 IEC FRN is 0006182653

L3 IEC has submitted a license modification for Call Sign E080231. The updates are in the following areas:

- (1) New emission designators and power densities
- (2) Point of Contact for the site
- (3) Increase of the viewable satellites (occasional use geosynchronous satellites)
- (4) New Radiation Hazard report

L3 IEC requests the removal of the following information from the license:

- (1) Current list of emission designators and power densities

L3 IEC request that the Patriot 380AZ antennas be expressed as East and West antenna locations.

Mr. William J. Brundage

Program Manager Range and Test Solutions for VSATs and ESVs
