Mr. Lim,
Per our phone conversation I am providing a clarification of what our MOD request is. And as discussed asking if we can update our current MOD request.
Q43: Update contact information, Name and email address.

I have attached the first page of current MOD application form with the new contact information listed.
The current MOD request lists Jason Martin . We would like to change that to Robert Dunn with email: regulatoryaffairs@telalaska.com

We apologize for our miscommunication and any confusion it may have caused. If the new contact information can be reflected, that would be great.
Thank you for your help. If any questions, please let me know.
