Dear Ms. Dortch:

On behalf of BlackSky, LLC ("BlackSky"), please convert the amendment to the above-referenced license application filed by BlackSky on July 25, 2019 ("Amendment"),<sup>1</sup> to an application to modify the license that has now been issued granting the application as it existed prior to the filing of the Amendment.

As set forth in the Amendment, the purpose of the modification is to increase the operating transmit power of the M2 Antenna Systems antenna model 450CP34 operating at 450.2 MHz.

Please direct any questions to the undersigned

Sincerely,

Jonathan L. Wiener
