

Exhibit C

FAA Notification Not Required

Per 47 C.F.R. Ch. 1 §17.7 and 47 C.F.R. Ch. 1 §25.115, FAA notification is not required for the following earth station antenna as the proposed antenna structure does not exceed the imaginary surfaces delineated in 47 C.F.R. Ch. 1 §17.7(b) and doesn't exceed 6.10 meters above an existing man-made structure:

- Anchorage

Per 47 C.F.R. Ch. 1 §17.7(e)(3), FAA notification is not required for the following earth station antennas as the proposed antenna structures will be less than 6.10 meters above ground level:

- Cold bay
- Fort Yukon
- Galena
- Iliamna
- King Cove
- Nome
- St. Paul
- Sand Point
- Unalaska
