E210118

File# SES-MOD-20210914-01550

I would like to remove the request to change the Max EIRP per Carrier and the Max EIRP Density per Carrier.

My request is to add the transmit frequency and to add the Transmit 36MOG7W Emission Designator with the Max EIRP per Carrier and Max EIRP Density per Carrier listed below.

Max EIRP per Carrier: 72.22

Max EIRP Density per Carrier: 32.68

Thank you,

Cindy Hall
