Cox Television Jacksonville, LLC ("CMG") is the licensee of receive-only earth station E181833. The instant application requests removal of Antenna ID 5, 2.4 meter diameter, Prodelin, Model Prodeline 2.4, which are Ku band.

All other technical data for the other antennas listed on the authorization remains valid and in use and should not be deleted or changed.

Due to the constraints of IBFS Form 312 modification application, the form only allows for addition of new data, not removal of old.

CMG requests the modification of its registration to remove the antennas and to re-issue the authorization for E181833.
