Scripps Broadcasting Holdings, LLC ("Scripps") is the licensee of receive-only earth station E190146. The instant application requests removal of the Antenna ID S4, 3.7 meter diameter, AFC.

All other technical data for the other antennas listed on the authorization remains valid and in use and should not be deleted or changed.

Due to the constraints of IBFS Form 312 modification application, the form only allows for addition of new data, not removal of old.

Scripps requests the modification of its registration to remove the antennas and to re-issue the authorization for E190146.
