Report No. SES-02790

Wednesday July 23, 2025

Satellite Communications Services

RE: Actions Taken

The Commission, by its Space Bureau, took the following actions pursuant to delegated authority. The effective date of these actions is the release date of this Notice, except where an effective date is specified.

SES-STA-20250519-00703

Intelsat License LLC

Date filed: 2025-05-19

Special Temporary Authority

Grant of Authority

2025-07-23 - 2026-01-18

Date of Action: 2025-07-22

On July 22, 2025, Intelsat License LLC was granted a 180-day special temporary authority (STA) beginning on July 23, 2025 through January 18, 2026, to operate three 1.2 meter Ku-band antennas in Ellenwood, GA, Napa, CA, and Nuevo, CA, to communicate with the Intelsat 40e (S3066) satellite in the 14.0–14.5 GHz (Earth-to-space) and 10.95–11.2 GHz, 11.45–12.2 GHz (space-to-Earth) frequency bands.

SES-STA-20250424-00585

Intelsat License LLC

Date filed: 2025-04-23

Special Temporary Authority

Grant of Authority

Date of Action: 2025-07-22

Application granted pursuant to section 1.62 of the Commission's rules to reflect continuing operations.

Date filed: 2025-04-18
Special Temporary Authority
Grant of Authority

Intelsat License LLC

2025-07-23 - 2025-08-21
Date of Action: 2025-07-22

On July 22, 2025, Intelsat License LLC ("Intelsat"), was granted an additional 30-day special temporary authority (STA), to operate up to 250 0.45m Ku-band antennas to communicate with Intelsat 40e (S3066), Galaxy 16 (S2687), Galaxy 18 (S2733), Galaxy 19 (S2647), and Galaxy 37 (S3164) satellites, while stationary and in-motion while vehicle mounted in the continental United States for testing, demonstrations, and customer service purposes. Operations will be performed in the following frequency bands 14.0–14.5 GHz (Earth-to-space), and 10.825–12.2 GHz (space-to-Earth).

Date of Action: 2025-07-16

This STA is granted on an unprotected and non-interference basis. Grantee is authorized to operate within the parameters requested in the above-referenced file number. Licensee must comply with all applicable Commission rules and/or limitations established in the space station grant for any associated points of communication. In certain limited cases, additional STA conditions may be uploaded as a supplement to the ICFS file.

Special Temporary Authority

Grant of Authority

2025-07-19 - 2025-09-16

Date of Action: 2025-07-17

This STA is granted on an unprotected and non-interference basis. Grantee is authorized to operate within the parameters requested in the above-referenced file number. Licensee must comply with all applicable Commission rules and/or limitations established in the space station grant for any associated points of communication. In certain limited cases, additional STA conditions may be uploaded as a supplement to the ICFS file.
