Re: Call Sign E020160, File Number SES-MOD-20120614-00512

To International Bureau Earth Station Licensing

L3 IEC FRN is 0006182653

L3 IEC has submitted a license modification for Call Sign E020160. The updates are in the following areas:

- (1) New emission designators and power densities
- (2) Point of Contact for the site
- (3) Increase of the viewable satellites (occasional use geosynchronous satellites)
- (4) New Radiation Hazard report

L3 IEC requests the removal of the following information from the license:

- (1) Current list of emission designators and power densities
- (2) Antennas SeaTel 8297 and SeaTel 9997

Mr. William J. Brundage

Program Manager Range and Test Solutions for VSATs and ESVs
