WFTV, LLC ("WFTV") is the licensee of receive-only earth station E181953.

One of the antennas listed on the authorization for E181953, the Channel Master PROW8 (listed as Antenna ID 4 on the E) Antenna Facilities section on the authorization), has been replaced with a DH Model No. 50DH1. This is a C-band antenna. All other technical data for this antenna did not change.

All other technical data for all the other antennas listed on the E181953 authorization remain valid and in use and should not be deleted or changed.

WFTV requests the modification of its license E181953 to delete Channel Master antenna, replace it with the DH one, and to re-issue the license.
