

FCC Form 312

Schedule S

According to FCC Form 312 Instructions found at this Internet address:

http://licensing.fcc.gov/prod/ib/forms/help/SchS_Instruct04.pdf Form 312 need only be filed under the following conditions.

“SCHEDULE S, along with Main Form 312, is to be completed when:

- Applying for a license of a New Space Station,*
- Amending a pending space station application,*
- Applying for a license for a Replacement Satellite,*
- Applying for a Modification of a granted space station license, other than modifications filed for fleet management purposes under Section 25.118(e) of the Commission's rules, or when*
- Filing a Letter of Intent to Use Non-U.S. Licensed Satellite(s) to Provide Service in the United States.”*

Because the subject of this application is a *Fixed Satellite Transmit/Receive Earth Station* Schedule S is **not** required according to the Commission’s rules.
