

Before the  
FEDERAL COMMUNICATIONS COMMISSION  
Washington, D.C. 20554

FILED/ACCEPTED  
MAY 18 2008  
Federal Communications Commission  
Office of the Secretary

In the Matter of )  
 )  
Request to Streamline Licensing of L-band ) SES-PDR-20080303-00367  
User Terminals Using Inmarsat Satellite as )  
Points of Communication )

**REPLY OF INMARSAT**

Inmarsat submits these Reply Comments in response to the comments filed in this proceeding, all of which support Inmarsat's Petition for Declaratory Ruling ("Petition") proposing that the International Bureau (the "Bureau") make a ministerial change in the way that it specifies authorized points of communication in Inmarsat L-band user terminal licenses.

As it stated in the Petition, Inmarsat's proposal will permit licensees to communicate with all Inmarsat spacecraft that have been approved for U.S. service in the L-band by designating "ISAT" as the point of communication. Designating "ISAT" as a point of communication in L-band user terminal licenses that authorize service with Inmarsat satellites will provide significant public interest benefits and is consistent with Commission policy. Streamlining the licensing process will minimize regulatory delay, conserve Commission resources, and speed service to the public. All commenters in this proceeding support the proposal and no entity opposes it.

For the foregoing reasons, and for the reasons stated in Inmarsat's Petition and the comments filed in this proceeding, Inmarsat respectfully requests that the Commission expeditiously create the "ISAT" list, including all Inmarsat spacecraft that are approved to provide L-band service to the United States. Inmarsat further urges the Commission to modify existing licenses to communicate with Inmarsat spacecraft to specify "ISAT" as the designated

## CERTIFICATE OF SERVICE

I, Amber Powelson, hereby certify that on this 16<sup>th</sup> day of May, 2008, I caused to be served a true copy of the foregoing by first class mail, postage pre-paid (or as otherwise indicated) upon the following:

Daniel S. Wood  
President  
Comtech Mobile Datacom Corporation  
20430 Century Blvd.  
Germantown, MD 20874
