Hello Mr. Garcia,

You filed a Application for a Receive Only Registration SES-REG-20031014-01400, E030226, and some of your technical data does not agree with one another, and it should agree. On the FCC Form 312 Frequency 3700-4200 your Emission Designator is (10M3G7W), and on the Frequency Coordination Data sheet its coordinated for another Emission Designator of (200KF3E). So which Emission Designator are you operating with this earth station? Please submit information to me in order to process your application for Public Notice.

Thank You
Eleanor M. Lott
