Subject: DIRECTV Applications

Frank,

Per your message, this e-mail is to clarify that in DIRECTV earth station applications SES-LIC-20040414-00554 and SES-LIC-20040414-00553, we are requesting receive-only authority for the C-Band. Please delete references in these applications for authority in the Ku band. However, DIRECTV proposes to use these antennas to receive in the Ku band as well, therefore, please let me know if any additional filing is required to register these antennas for Ku band frequencies.

Thank you for your assistance. If you have any further questions regarding these applications, please call me at (202) 637-1056.

Regards,

Liz Park
