OK Thank You, But he has one more to take care of and that is for KCLU-California Lutheran University, located in Thousand Oaks, CA, for the same problem of the Emission Designator?

Eleanor I just spoke with my boss Gary Edwards and he was telling me that the Emiss. Desig. on the Coordination Final report doesn't match what was filed on the 312 for KCCU-Cameron University. The correct Emiss Desig is suppose to be 30K0F1D. Please let me know if you have any questions or if I need to do anything else to make the change ?

Thanks for your help
