Re: Change of FRN for Receive-Only Satellite Earth Station E050211

Dear Mr. Nelson:

As instructed by the International Bureau Filing System help desk, SBC Internet Services, Inc. ("SBCIS") hereby requests that the Division staff change the FCC Registration Number ("FRN") associated with SBCIS's receive-only satellite earth station registration, call sign E050211, from 0011554029 to 0012536033. Both of these FRNs are for SBCIS; 0012536033 is a replacement for 0011554029, which was canceled as redundant. No assignment or transfer of control of the earth station has occurred.

Please contact me at 202-942-5634 or peter_schildkraut@aporter.com if you have any questions. Thank you very much for your assistance.

Sincerely,

Counsel for SBC Internet Services, Inc.
