Re: **Service Electric Cablevision, Inc.**
Receive-Only Earth Station E050310
Address Change Notification

Ladies and Gentlemen:

On behalf of Service Electric Cablevision, Inc. we hereby notify the Commission of a change in the street address of the receive site for the above-referenced TVRO earth station. Please update the station's records to reflect the following address change:

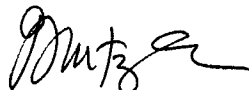

Former Receive Site Address: 16 Maplewood Drive
Hazleton, PA 18202

New Receive Site Address: 380 Maplewood Drive
Hazleton, PA 18202

The U.S. Postal Service unilaterally implemented this address change, which re-assigned the location's street number only, and it in no way reflects any actual relocation of the earth station receive site. All technical parameters of the station remain unchanged.

Should you have any questions concerning this matter, please contact Allyson Mejia at (202) 776-2901 or the undersigned counsel.

Sincerely,

Gary S. Lutzker
Counsel for Service Electric Cablevision, Inc.
