Re: *Surrender of E060007 earth station registration*

Dear Ms Dortch:

By this letter, North Carolina Broadcasting Partners surrenders its C-Band earth station registration for E060007, IBFS File No. SES-REG-20060110-00031. The E060007 registration was initially submitted in 2006 for a single 10.0 meter Scientific-Atlanta C-Band antenna at One Television Place, Charlotte, NC 28205. Subsequently in 2018, North Carolina Broadcasting Partners registered multiple C-Band antennas at the same site under call sign E191265 and IBFS File No. SES-REG-20181005-04894, including the same 10.0 meter Scientific-Atlanta antenna. Because of the latter registration, the registration under call sign E060007 is redundant; and North Carolina Broadcasting Partners hereby surrenders E060007.

Please contact the undersigned counsel for North Carolina Broadcasting Partners if you have any questions.

Respectfully submitted,

/s/ Timothy J. Cooney
