Subject: Application for Holly Springs, MS

Hi Sophie

I was wondering if you could help me correct two mistakes on an application that was filed on 5/18/06. Please let me know if I need to do something else to have this fixed.

Rust College, Inc WURC-FM
Holly Spring, MS

On the application I marked the state as Alabama (AL) which is wrong it should be Mississippi (MS)
For section 17c I have the wrong box checked it should be Noncommercial educational licensee

Thanks for all your help
Tamara Leonard
