Subject: Correction on applications
Hi Eleanor

I am so sorry about the mistakes but here are the corrections on two applications.

Thanks for your help
Tamara Leonard
Comsearch

Alfred University WALF - The final report is correct the antenna should be a Prodelin 3.7 so could you please change the application to match.

Kashunamiut School District KCUK □ The satellite arc on the final report is correct so could you please change the application to match 106*-143*
