Tamara,

I will accept an e-mail with the applicant's name, correct description of the application and date filed. I will then upload the e-mail to the pending file.

Hi Sophie

On an application I filed yesterday under the description of the application very first line I had a typo. I typed WRUM and it is suppose to be WRMU everything on the application is correct the mistake is only in the description line. Could you please let me know what I will need to do to fix this?

Thanks for your help
