

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON, D. C. 20554

DA XX-XXX

January XX, 2010

Mr. Shane A. Godmere
Michigan Technological University
1400 Townsend Dr.
Houghton, MI 49931

Re: Call Sign: E900042
File No.: SES-MOD-20091116-01457

Dear Mr. Godmere:

Application for a Receive-only earth station requesting 12 GHz frequency (Ku-band) was submitted.

The Commission does not license Ku-band 12 GHz frequencies for receive-only stations, in accordance with Memorandum Opinion and Order, CC Docket No. 78-734, (adopted December 9, 1986). It was decided that a licensing program for receive-only earth stations operating in the 12 GHz frequency band was unnecessary because there are no other primary users in this spectrum.

Receive-only earth stations are licensed for the 4 GHz C-band only. We have dismissed the KU-Band portion of your application request without action and /or prejudice.

Sincerely,

Kathryn Medley
Chief, System Analysis Branch
Satellite Division
