Schedule B
form?

Hi Ms Kaylee Stinez,

You filed an Earth Station application for New REG Transmit/Receive FCC Form 312 , you did not completely fill the 312 Schedule B attachment with all the technical data that is needed for this earth station filing, also what are you filing this application for, and what type of application is it going to be REG or Transmit/Receive, C-band or Ku-band? You need to comply and submit all information requested and needed for the earth station filing, this application is unaccepted as filed, therefore you need to withdraw this one and start all over again, please respond by Friday, August 26, 2016, or your application will be Dismissed as filed.

Thank you
Eleanor Lott
