Re: Construction of New Receive-Only Earth Stations E160170 (SES-REG-20161111-00881) and E160171 (SES-REG-20161111-00882)

Dear Ms. Dortch:

This letter is to notify the Commission that construction relating to new receive-only Earth Station Authorizations E160170 and E160171, both registered to Ohio/Oklahoma Hearst Television Inc. (“Hearst”), pursuant to the Commission’s grants dated December 19, 2016, in File Nos. SES-REG-20161111-00881 and SES-REG-20161111-00882 has been completed. The receive-only earth stations were constructed more than ten years prior to the date the registrations were granted, but Hearst voluntarily elected to file these registration applications more recently.

Pursuant to the relevant provisions on each authorization and relevant portions of Rule Section 25.133(d) and (b), Hearst has authorized the undersigned to represent that Hearst’s operation of the earth stations will be in conformance with the authorized parameters, and the earth stations will remain operational during the authorization period unless the registrations are submitted for cancellation.

If any questions should arise during the course of your consideration of these notifications, it is respectfully requested that you communicate with this office.

Sincerely,

Stephen Hartzell
Counsel to Ohio/Oklahoma Hearst Television Inc.
