445 12th Street SW,
Washington, DC 20554

RE: Rhode Island Public Radio
North Providence, RI
C-Band Receive-Only Earth Station
Call Sign E180035
File #: SES-LIC-20180307-00197

The satellite arc filed on the FCC form 312B Box E54/55 was 58/143.

The frequency coordination data contains the correct information.

Satellite Arc	58° W to 139° West Longitude
Azimuth Range	160.3° to 254.6°
Corresponding Elevation Angles	39.7° / 7.9°

Petition for Reconsideration – A petition for reconsideration for this site is requested to correct the satellite arc of the North Providence site on the FCC website.

Since the data on the frequency coordination report has the correct values, the microwave licensees were sent the correct data during the frequency coordination process.

All other parameters remain the same.

Please let me know if you have any questions.

Thank you
