This supplement is to correct the following data for the KANZ location satellite Antenna Registration.

The hemisphere section in question E54/55 of the Schedule B needs to be selected as “W” for West.

Question E15 asked about the antenna. This should be selected as “Y” for yes because the antenna complies with 47CFR Section 25.209.

Question E21 asked about naming the point of communication, it was left blank. It needs to be selected as the “ Permitted List” satellite

Question E58, corrected to 235.9.

Question E59, corrected to 28.2.
