CBS Communications Services Inc.
Various C-Band Licenses and Registrations

CBS Communications Services Inc. (ViacomCBS) hereby surrenders C-Band authorizations E180193 (File Number SES-REG-20180503-00529; Ridge, NY) and E180659 (File Number SES-REG-20180604-01165; Medford Township, NJ). These authorizations are included on the August 3, 2020 IBFS list, but the stations have either been decommissioned or service has been temporarily discontinued making them ineligible for reimbursement as part of the C-Band relocation process. The ViacomCBS Lump Sum election excluded both of these stations.
