FCC Radio Station Call Sign: E180262 is currently registered with the Federal Communications Commission ("FCC") under Registration File Number: SES-REG-20180509-00620 (the "Earth Station Registration"). The Earth Station Registration is listed in the name of Frank A. Kish, a former representative on behalf of BVU Authority. Please see a copy of the Current Authorization attached hereto as Exhibit A.

BVU Authority is a political subdivision of the Commonwealth of Virginia, created pursuant to the BVU Authority Act, Chapter 72, Title 15.2 of the Code of Virginia. John G. Jones, in his assigned duties and capacity as an employee of BVU Authority, filed an Application for Earth Station Authorizations with the FCC on May 9, 2018 (the "Application"). The purpose described in the Application was "CBand registration for BVU Authority." The Applicant was identified in response to Question 44 of the Application as a "Government Entity." However, the name of the Applicant on Page 1 of the Application was mistakenly listed as "Frank A. Kish." Please see a copy of the Application attached hereto as Exhibit B.

BVU Authority's FCC Registration Number ("FRN") was 0006823991. The FRN associated with the Earth Station Registration is 0006823991. Please see a copy of the EAS Testing Report attached hereto as Exhibit C identifying BVU Authority and FRN 0006823991 as the EAS Participant for the Site Location of the Earth Station Registration.

Point Broadband Fiber Holding, LLC (f/k/a Sunset Digital Holding, LLC), a Delaware limited liability company ("Point Broadband"), purchased the fiber-optic broadband assets of BVU Authority on August 1, 2018. BVU Authority's FRN 0006823991 was assigned to Sunset Fiber, LLC, a Delaware limited liability company and wholly owned subsidiary of Point Broadband, with the August 1, 2018 acquisition. Please see a copy of the Registration Detail from the FCC Registration System attached hereto as Exhibit D evidencing the transfer of FRN 0006823991 to Sunset Fiber, LLC.

Point Broadband attempted to locate Mr. Kish, but he is no longer located in the State of Virginia.

BVU Authority and John G. Jones hereby authorize the release of the Earth Station Registration and request that it be transferred into the name of Sunset Fiber, LLC.
