Re: *Bonneville International Corporation: Deletion of three antennas from E180551, while retaining one active antenna.*

Dear Ms Dortch:

By this letter, Bonneville International Corporation (“Bonneville”) hereby seeks to remove from call sign E180551, IBFS File No. SES-REG-20180530-00986, the three antennas listed as inactive in the Appendix of the FCC International Bureau’s July 23, 2021 Public Notice, DA 21-893.

Specifically, Bonneville seeks to remove from Site 1 of E180551: a) Antenna ID 1 (3.6m Scientific Atlanta), b) Antenna ID 2 (3.0 DH Satellite), and c) Antenna ID 4 (3.0m Scientific Atlanta).

Bonneville does not surrender call sign E180551 because Antenna ID 3 (4.5m ATCi) will remain active. All information on E180551 pertaining to Antenna ID 3 should be retained.

Please contact Bonneville’s attorney on this matter, Timothy J. Cooney at 202-383-3361 or tcooney@wbklaw.com, if you have any questions.

Respectfully submitted,

/s/ Duane Astin
