

Regarding Call Sign E180646 (File Number: SES-REG-20180605-01145) I have been requested to submit a Pleading due to inaccurate data inadvertently placed on the recently submitted Form 312. It has been brought to my attention that the respective data below should read:

E57: Elevation Angle of the Eastern Limit be 32.9

E59: Elevation Angle of the Western Limit be 29.9

E56: Azimuth Angle of the Western Limit be 126.4

E58: Azimuth Angle of the Eastern Limit be 237.5

Respectfully,

Matthew Mollman
