**Subject:** RE: update status FW: Celect Communications SES-REG-20180608-01362 E180763

Hi Trang,

I will resubmit it here for you. But for the emission designator carrier , item E47, it is 30M0G7W and for the modulation, item 50, it is Digital Video.

Thank you for following up with me, I really appreciate it!

Mike
