

SUPPLEMENTAL PLEADING: EARTH STATION REGISTRATION

CMG COASTAL CAROLINA, LLC

FILE #SES-REG-20180612-01341

CALL SIGN E180744

To whom it may concern:

This pleading is in regard to the above-referenced Earth Station registration application which requires certain corrections.

Please apply the following corrections:

Item E59, antenna elevation in western limit should be changed to 11.1

Item E56, antenna azimuth in eastern limit should be changed to 151.7

Item E58, antenna azimuth in western limit should be changed to 255.2

If there are questions concerning this pleading, please contact the undersigned.

Respectfully,

Allen Sherrill
