Re: Music Choice, Earth Station Registration E181008, File No. SES-REG-20180619-01693

Dear Ms. Dortch:

The Commission issued the above-referenced registration on April 12, 2019. Unfortunately, two data elements on the application that resulted in the registration were inaccurate. Accordingly, on behalf of our client Music Choice, we request that the Commission amend the registration as follows:

- Authorization Type – Non-Common Carrier (instead of common carrier, as currently indicated on the registration).
- Nature of Service – Fixed Satellite (instead of Satellite Digital Audio Radio, as currently indicated on the registration).

Should you have any questions regarding this matter, please contact me.

Respectfully submitted,

/s/Russell H. Fox
