Re: Incumbent C-Band Earth Station Registration E181041
Deletion of Antenna Location
IB Docket 20-205

Dear Sir/Madam:

On August 26, 2020, Christian Television Network, Inc. filed a lump sum reimbursement election for Incumbent C-Band Earth Station Registration E181041. The election included only one of the two antenna locations for the earth station registration. The other antenna location, identified in the FCC's Incumbent List as **SiteID: 1-(Studio), AntennaIDL 1STU**, was not included because it did not meet the required definitions for incumbency. This letter is filed at the request of the FCC IB Staff to request deletion of only antenna location **SiteID: 1-(Studio), AntennaIDL 1STU** from the E181041 Registration.

Please contact the undersigned with any questions.

Respectfully submitted,

Joseph C. Chautin, III
Counsel for Christian Television Network, Inc.
