

Exhibit for Construction Notification

This filing is to notify the Commission that construction and operation of the receive-only earth station dishes registered under call sign E181370 to NPG of Oregon, Inc. (“NPG”), pursuant to the Commission’s grant dated September 24, 2018, in File No. SES-REG-20180713-02181, commenced prior to April 19, 2018. NPG filed the application pursuant to the Public Notice issued April 19, 2018, *Temporary Freeze on Applications for New or Modified Fixed Satellite Service Earth Stations and Fixed Microwave Stations in the 3.7-4.2 GHz Band 90-Day Window to File Applications for Earth Stations Currently Operating in the 3.7-4.2 GHz Band*, Public Notice, 33 FCC Rcd 3841 (IB, PSHSB, WTB 2018).

Upon NPG’s information and belief, construction of the dishes was completed variously on May 7, 1984, and August 18, 1980.
