please recheck FW: Yaquina Bay Communications file number SES-REG-20180716-01847 Call
Sign E181119

Trang,

I just went out and plotted my base for the C band satellite dish location and I show on Google Earth the coordinate of 44 degrees 37 minutes 54 seconds North, 124 degrees 03 minutes 26 seconds West.

The physical address is 906 S.W. Alder St. Newport, OR 97365

Hope this helps.

djm
