Re: amended information for SES-REG-INTR2018-05380

Dear Mr. Asongwed:

Gray Television Licensee, LLC ("Gray"), by its attorney, hereby files this letter to amend the above-captioned receive-only earth station registration application.

Due to administrative error, the application contains incorrect site elevation information in response to Question E14. The correct information should be 1,850 meters.

Please contact me with any additional questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Henry Gola".
