Re: amended information for SES-REG-INTR2018-05636

To Whom It May Concern:

Gray Television Licensee, LLC ("Gray"), by its attorney, hereby files this letter to amend the above-captioned receive-only earth station registration application.

Due to administrative error, the application contains incorrect antenna gain information in response to Questions E41/42 and incorrect emission designator information in response to Question E47.

- For both Antenna WSAW 1 and Antenna WSAW 2, the response for E41/E42 should be amended to 40 dbi @ 4 GHz.
- For both Antenna WSAW 1 and Antenna WSAW 2, the response should be amended to 36M067W.

Please contact me with any additional questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Henry Gola".
