Hi Annie Edwards,
Emission Designator is required, but I can use the condition 90487 for 36M0G7W as our front office agreed for incomplete Schedule B. Please let me know if you are okay. Thanks.

This is a receive only station so there is no transmission. Is there a way for us to update the application and leave the Emission Designator Blank?

Hi Michael Candelaria,

Your Emission Designator is incorrect.
Please verify with the CFR 2.201 (https://www.ecfr.gov/cgi-bin/text-idx?SID=c38517be76e4d29d658ce9a833d1e8bd&mc=true&node=se47.1.2_1201&rgn=div8)

and provide a new Emission Designator.
