Mr. Lim,

I researched this with FCC counsel. The answer to question 39 is incorrect. It should be "no."

What do we need to do to fix this?

Hi David Wilhelm,

You answered "yes" to form312 line39 for "pending matter". Please clarify and attach any supplement for this.

39. Is the applicant, or any person directly or indirectly controlling the applicant, currently a party in any pending matter referred to the FCC?
