**Re: Correction of Applicant Name to Reflect Emergence from Bankruptcy  
Call Signs E190096 and E190097, File Nos. SES-REG-20180926-03793 & -03794**

Dear Ms. Dortch:

iHeartMedia + Entertainment, Inc. ("IHM"), pursuant to Section 1.65 of the Commission's rules, 47 C.F.R. § 1.65, hereby advises the Commission that the applicant name in the above-referenced filings to register C-band receive-only earth station sites (the "Registrations") should be changed to remove the reference to debtor in possession status.

At the time the Registrations were filed in September of 2018, IHM and its affiliates were subject to a Chapter 11 bankruptcy proceeding and were managing their operations as debtors in possession. The following month IHM and its affiliates sought Commission consent to implement a plan of reorganization pursuant to which the companies would emerge from bankruptcy.<sup>1</sup> The Assignment Application explicitly requested that grant of authority to complete the restructuring extend to pending applications of IHM.<sup>2</sup> Following Commission grant of the Assignment Application and submission of the consummation confirmation, the IHM earth station licenses have been updated to remove the debtor in possession designation.<sup>3</sup> IHM requests that the Commission make the same change to the Registrations to reflect that IHM is no longer acting as debtor in possession with respect to the C-band receive antennas covered in those filings.

Please address any questions regarding this matter to the undersigned.

Respectfully submitted,

A handwritten signature in black ink that reads "Troy Langham".
