To Whom It May Concern:

In response to the IBFSINFO October 21st email concerning C-Band Lump Sum Filing. We have received your notice that our filing was non-compliant, and believe we understand the discrepancy. We had two Antenna IDs registered and on the August 3 Incumbent Earth Station list under the Call Sign E191167 and we did not include Antenna ID 1 (8th Earth Station) in the C-Band Lump Sum Filing because we have decommissioned Antenna ID 1, Quantity 1. Therefore we included seven Earth Stations, where your list for us included eight stations.

If you require additional information please feel free to contact David Schilling, Communications Services Manager, at 319-268-5265 or david.schilling@cfunet.net.
