Hello Trang,

All of our satellite antennae are located at our studio building. None are located at our transmitter site.

The KSPS studio is located at:

3911 S Regal St
Spokane, WA 99223-7721

GPS coordinates:
47°37'07.326"N
117°22'03.576"W
2375 ft elevation

I hope this helps.

Sincerely,
Steve.
