Federal Communications Commission

Washington DC

To whom it may concern:

SMG-MONROE, LLC, no longer accesses programming via satellite, due to a change of studio location.

The new location does not allow satellite dishes. Therefore, SMG-MONROE, LLC, wishes to surrender Fixed Earth Station license, Call Sign E190614, File Number SES-REG-20181010-04281 effective immediately.

If any questions arise, please feel free to contact me via any method listed below.

Respectfully submitted,

Rick Jesse
