Petition for Reconsideration

In Re Application of:	)

Marc Radio Gainesville LLC	)	FCC File No. SES-REG-20181010-06800

To: The Chief, International Bureau

Petition for Reconsideration

Marc Radio Gainesville, LLC ("Marc") requests reconsideration of the dismissal of the above-referenced application.¹ As demonstrated below, Marc's application was dismissed in error. The required application filing fee was, in fact, paid in a timely fashion. Accordingly Marc requests that its application for registration of the receive only earth station be reinstated and granted.

Marc's application was dismissed for non-payment of the required filing fee. However, the facts show this to be error. Specifically the FCC Form 159 for the filing fee was prepared on October 11, 2018. See Attachment A appended hereto. The check for the filing fee cleared Marc's bank account on October 16, 2018, six days after Marc's earth station registration

¹ By Public Notice Report No. SES-02257, released April 8, 2020, the earth station registration application was dismissed for failure to pay the required application filing fee in a timely fashion, i.e. for failure to pay within 14 days of the October 10, 2018 filing date.

application was filed. See Attachment B appended hereto. The Form 159 and associated check were actually submitted to pay the filing fees for two earth station registration applications. The other application was correctly accepted and granted. See FCC File No. SES-REG-20181015-05762.

In view of the facts alleged and proved herein, the filing fee for the above-referenced earth station registration application was paid in a timely fashion. The action dismissing the application for failure to pay fees was taken in error. Accordingly the action dismissing the earth station registration application should be set aside and the application, FCC File No. SES-REG-20181010-06800, should be granted.

Respectfully submitted,
