Re: Correction to Pending C-Band Registration Application
File No. SES-REG-20181011-03700
Fincher, Florida

Dear Mr. Blais:

Scripps Broadcasting Holdings LLC (“Scripps”), through counsel and pursuant to your request, hereby provides information correcting the above-referenced application. The initial application for registration of the existing c-band facility was filed October 11, 2018 by WTXL License Subsidiary, LLC (“WTXL”). On January 3, 2019, Scripps acquired from WTXL the television station with which the earth station facility is used. On February 25, 2019, Scripps amended the pending application to identify itself as the new applicant and proposed registrant.

In response to your email inquiry on February 27, 2019 regarding inaccuracies in the station’s site location specified in the initial application (Schedule B, Items E1-E14), Scripps provides the following corrected information:

Schedule B, Item E3:

- The correct address identifier is Section 141, Township 2.
- The street address 27 Friendship Church Road is inaccurate and should be omitted.

Schedule B, Item E6:

- The correct contact phone number is 850-580-9525.

Schedule B, Item E12:

Sincerely,
