Re: *Update to Pending C-Band Earth Station Application*  
*SES-REG-20181014-05644 (E200341), Miami, Florida*

Dear Ms. Dortch:

On behalf of Scripps Broadcasting Holdings LLC (“Scripps”), this letter is being submitted to notify the Commission of the change in applicant for the above-referenced pending c-band earth station application *from* WSFL, LLC (“WSFL”) *to* Scripps. The FRN for Scripps is 0027980341.

On September 16, 2019, the Media Bureau granted the application for assignment of television station WSFL-TV in Miami, FL from WSFL to Scripps (File No. BALCDT-20190403ABY). The transaction closed September 19, 2019 and the consummation notice was filed September 20, 2019. Pursuant to that transaction Scripps acquired all the assets associated with WSFL-TV, including the existing earth station facility for which the pending registration application was filed.

There are no technical changes to the information previously submitted and Scripps assumes all certifications made in the original application. Please contact the undersigned if you have any questions.

Sincerely,

Kenneth C. Howard, Jr.
