Re: Incumbent C-Band Earth Station Registration E190062
Deletion of Antenna Location
IB Docket 20-205

Dear Sir/Madam:

On September 4, 2020, Cornerstone Television, Inc. filed a lump sum reimbursement election for Incumbent C-Band Earth Station Registration E190062. The election included only four of the five antenna locations for the earth station registration. The fifth antenna location, identified in the FCC's Incumbent List as **Associated Antenna ID: DH-1** was not included because it did not meet the required definitions for incumbency. This letter is filed at the request of the FCC IB Staff to request deletion of only **Associated Antenna ID: DH-1** from the E190062 Registration.

Please contact the undersigned with any questions.

Respectfully submitted,

Joseph C. Chautin, III
Counsel for Cornerstone Television, Inc.
