You filed the form 312 for registration of your C-band receive-only earth station.

Site coordinates and site address are incorrect and we don't see the antenna on site.

Please check to make sure the address and coordinates are correct and let me know where your antenna is located.

Thanks.

Hi,

We are not able to verify location of your antenna, and your site coordinates and site address are different.

Please verify antenna coordinates and address.

Your schedule B is incomplete and we will proceed per condition 90487.

Thanks.
